Table of Contents

ES. Executive Summary

A. Setting an Annual Aspirational Goal for DBE Participation in FAA-funded Contracts	ES-1
B. Determining Achievement of the Annual Aspirational Goal Through Neutral Means	ES-2
C. Initiatives Applicable to the Airport’s Locally-funded Contracts	ES-5
D. Future Implementation of the Federal ACDBE Program	ES-6
Summary	ES-6

I. Introduction

A. Background and Study Scope	I-2
B. Federal DBE Program	I-3
C. Organization of the Report	I-5

II. Collection and Analysis of Contract Data

A. Collection and Analysis of Airport Prime Contract and Subcontract Data	II-1
B. Procurement Areas	II-2
C. Geographic Distribution of Airport FAA-funded Contract and Subcontract Dollars	II-5

III. Analysis of MBE/WBE Availability

A. Steps in the Availability Analysis	III-1
B. Results of the Base Figure Analysis	III-5
C. MBE/WBE Availability as Inputs to the Disparity Analysis	III-8
D. Further Discussion of Issues in an Availability Analysis	III-9

IV. Summary of Utilization and Disparity Analysis for Airport Contracts

A. Utilization Analysis	IV-1
B. Disparity Analysis	IV-4
C. Analysis of Statistical Significance of Any Disparities	IV-10
D. Summary	IV-12

V. Exploration of Possible Causes of Any Disparities

A. Are there disparities for certain types and sizes of Airport contracts and not for others?	V-1
B. Did discontinuing the DBE contract goals/good faith efforts program lead to the substantial MBE/WBE disparities in the Authority’s FAA-funded contracts for the study period?	V-10
C. Is there anything in SDCRAA’s bid process that would make it more difficult for MBE/WBEs to bid on Authority’s contracts?	V-11

Table of Contents

VI. Summary

A. Setting an Overall Annual Aspirational Goal for DBE Participation in FAA-funded Contracts ..	VI-1
B. Determining Achievement of the Annual Aspirational Goal Through Neutral Means	VI-13
C. Identifying Specific Measures that the Authority Could Use in Implementing the Federal DBE Program.....	VI-26
D. Considering Initiatives Applicable to Locally-funded Contracts	VI-28

VII. Summary of Utilization for SDCRAA Concessions

A. Overview of Airport Concessions Models	VII-1
B. Analysis of SDCRAA Concessions	VII-3
C. Setting Overall Annual Aspirational ACDBE Goals in the Future.....	VII-4
D. Utilization of MBE/WBEs in Airport Concessions	VII-11
E. Possible Neutral Remedies	VII-20

Appendices

A. Utilization and Case Study Data Collection for Airport Contracting and Procurement.....	A-1
B. Availability Analysis for Airport Contracting and Procurement	B-1
C. Detailed Disparity Results for Airport Contracting and Procurement	C-1
D. Entry and Advancement in the Construction and Engineering Industries.....	D-1
E. Business Ownership in the Construction and Engineering Industries.....	E-1
F. Access to Capital for Business Formation and Success	F-1
G. Success of Businesses in the Construction and Engineering Industries.....	G-1
H. Entry, Advancement, Ownership and Success in Airport Concessions Industries	H-1
I. Description of Data Sources for Marketplace Analyses	I-1
J. Qualitative Information Concerning the Local Marketplace	J-1
